9. Kadur is a backward district and there are a large number of debtors in the district. Facilities for loans at reduced rates of interest are very essential in this area. This Assembly therefore recommends to the Government of His Highness the Maharaja that they may be pleased to establish a bank in this district with a share capital of twenty-five lakhs of rupees, with provision for issue of loans at a moderate rate of 4½ per cent interest which may yield a dividend of about 3 per cent to the share-holders.

Mover.—MR K. MARULAPPA (Kadur Taluk).

Mover.—MR. M. MADIAH (Minorities).

12. Out of a population of 1¾ lakhs or about one-thirtieth of the total population in the State, only three persons belonging to the Gangakula community have secured appointments with a salary of Rs. 50 This Assembly, therefore, recommends to the Government of His Highness the Maharaja that persons belonging to this most backward community, who possess the necessary qualifications, be appointed on Rs. 100 per mensem in each of the Excise, Electrical Revenue, Criminal and Police Departments, etc.

Mover.—MR. A. VENKATARAMANA BOYI (Minorities).

13. This Assembly is of the opinion that the present system of education for girls in the State, especially in the High School and University grades which is practically the same as for boys, is too onerous for our girls and is not conducive to their healthy growth and the social, economic and cultural advancement of the future generation, inasmuch as it is neither in consonance with the past traditions nor in keeping with the future requirements of the society as a whole and it therefore recommends to the Government of His Highness the Maharaja that a committee consisting of expert educationists with a few competent and experienced non-official gentlemen be immediately appointed to go into the problem of women's education in the State in all its grades and to suggest a scheme which would answer the present day requirements of our society so far as women are concerned and which would equip them to face the hard struggle of family life and share their due burden of responsibility in public life.

Mover.—SRI. R. KALYANAMMA (Women's Interest).

14. This Assembly recommends to the Government of His Highness the Maharaja that provision be made in the present Budget for a monthly grant of at least Rs. 100 to Srirangapuri Sri Ramadevara Mutt belonging to the Nayanaja Kshatriya community and that, in response to the repeated requests made in the matter, further help be rendered to the Institution by granting at least 50 acres of land and a sum of at least Rs. 10,000 for construction of building as the Mutt has at present no building of its own and is desirous of having a habitation at a cost of Rs. 15,000.

Mover.—MR. S. C. BELURIAH (Minorities).

15. Though the benign Government have issued orders directing that any community may take processions, etc., in public streets, the backward communities are, in some places, put to great hardship by persons who violate this order. This Assembly therefore recommends to the Government of His Highness the Maharaja that arrangements be made by beat of *tom tom* and by distributing hand-bills to give wide publicity to the above mentioned order and thus save the concerned backward communities from the hardship that is now being caused to them in the matter.

Mover.—Mr. M. Hanumanthappa (Minorities).

16. Having regard to the historical importance of the Vanhikula Kshatriya community (Tigalar) in the State, this Assembly recommends to the Government of His Highness the Maharaja that they be pleased to reserve at least two seats in the Representative Assembly, one seat in each of the district boards in the State, as also adequate representation in the gezetted ranks in the State service by appointing duly qualified hands from the said community.

Mover.—Mr. S. Munivenkatappa (Minorities).

17. This Assembly recommends to the Government of His Highness the Maharaja that legislation be undertaken in the State for the registration of Trade Marks on the lines on which it has been undertaken in British India, the Mysore Chamber of Commerce—which has been registering Trade Marks for many years past—being associated with it in its working.

Mover.—Mr. K. Shama Iyer (Special Interests).

18. The system of nominating members to the Representative Assembly has been in vogue ever since the Assembly was brought into being in Mysore. Even after the system of elections was introduced, members belonging to many backward communities including the Visvakarma community continued to be nominated as members of the Assembly. The recent Reforms Committee, however, have expressed their opinion that the system of nominations is unnecessary. But Government have deemed it desirable to provide for a certain number of seats to be filled up by nominations. As this number is insufficient, many backward communities may fail to get representation and may consequently suffer by having no opportunity to represent their grievances. This Assembly therefore recommends to the Government of His Highness the Maharaja that the number of seats in the Representative Assembly to be filled by nomination may be increased.

Mover.—Yajaman N. Y. Veerabhadracharya (Minorities).

19 As the representation of important minority communities like the Mahrattas, Kuruhinasetty, Vanhikulakshatriya and Yadavas, etc., on the Representative Assembly has now become a thing of the past according to the recent Reforms, this Assembly recommends to the Government of His Highness the Maharaja that important minority communities be given seats in the Assembly out of the number of seats reserved for the purpose of nomination.

Mover.—Mr. T. L. Gangoji Rao Salankey (Minorities).

20. This Assembly recommends to the Government of His Highness the Maharaja that the meters fixed up recently by the Water Supply Department in Bangalore City to all water connections in mosques and other sanctuaries be immediately removed and that taps existing in such places of worship be treated as public taps as usual.

Movers—MESSRS. MIRZA M. AZIZULLA BEIG and M. A. JABBAR (Minorities).
